10 Things Future Students Should Know about your Program

1. Keep an open mind about the experience in general.
2. Be prepared to change around habits to adapt to a new culture.
3. Try your best in speaking Spanish, and the locals will respect and help you.
4. Take part in as many activities as possible.
5. Travel as much as you can because you may never get this opportunity to go to another country this easily.
6. Make as many friends as you can, these friendships will last a lifetime.
7. Do not worry about spending a lot of money because it is all worth it. Money can be made back, memories can't.
8. Take your classes seriously.
9. Interact with local students.
10. Have as much fun as possible, and enjoy every moment because the experience will be over before you know it.
