Course load and credit system

Full Study Load

The European Credit Transfer System defines a full study load for one year as 60 ECTS credits. Students are expected to take on 30 ECTS credits per semester.

According to the agreements between the UCPH and our partner universities abroad, the number of ECTS credits per semester must not be exceeded by 30 ECTS credits.

Non-EU/EEA students should be aware that their residence permit is dependent on a full time study load of 30 ECTS per semester.

Transcript and grading scale

Assessment

Pass/Fail

Your exam will be assessed according to the 7-point scale (see below) or by Pass/Fail. The required grade to pass is 02.

Pass grades cannot be changed to a numeric grade or vice versa.

Therefore, it is important that you check with your home university if you can receive credits for courses for which only "Pass" will be assigned.

Grading Scale

12: For an excellent performance

10: For a very good performance

7: For a good performance

4: For a fair performance

02: For an adequate performance

00: For an inadequate performance

-3: For an unacceptable performance

Transcript of records

When your exam results have been registered by the departments at UCPH, International Education & Grants will send 3 hard copies of your transcript directly to the International Office at your home university.

Only courses you have taken at the University of Copenhagen will appear on your transcript.

Residence Permit for studies in Denmark - Non-EU/EEA students

<p>ST1 form for residence permit</p>	<p>Non-EU/EEA students need a residence permit to study in Denmark. If you are a non-EU/EEA student, you will receive information on how to apply for a residence permit (the ST1 procedure) along with your letter of admission from UCPH. You cannot apply for a residence permit until after you have received your letter of admission.</p> <p>Detailed information on how to enter Denmark is available at www.studies.ku.dk/welcome/residence-permit/non-eu-eea</p>
<p>Processing time</p>	<p>The application process for a residence permit usually takes a considerable length of time (2-3 months). You should start the application process immediately upon receipt of your letter of admission and the ST1 information.</p> <p>Find the relevant embassy or general consulate: www.um.dk/en/about-us/organisation/find-us-abroad - "Find us abroad"</p> <p>Danish Agency for International Recruitment and Integration (SIRI), Copenhagen: www.nyidanmark.dk/en-US</p>
<p>Application fee</p>	<p>Prior to submitting an application for residence permit, you must create a case order ID online and pay a fee online according to the guidelines from the Danish Agency for International Recruitment and Integration (SIRI) www.nyidanmark.dk/en-us/coming_to_dk/fee/fee.htm</p> <p>Please make sure that any possible bank fees in connection with the transfer are added to the amount and not deducted from it. If full payment is not received, the residence permit application will not be processed. It is therefore essential for the processing of the application that you ensure that the full amount reaches SIRI. For information on the current fee for "study permits" please visit www.nyidanmark.dk/en-us/coming_to_dk/fee/about_fees/overview-of-case-categories-and-fees.htm</p> <p>The fee will be raised once a year, usually in January. Therefore, we recommend that students from visa free countries pay the fee the same calendar year as they are applying for the ST1 procedure. Otherwise, they risk rejection by SIRI.</p> <p>The embassy or consulate processing the application may require payment of additional fees. The embassy/general consulate is not responsible for checking the application and the enclosures.</p>

Financial documentation	SIRI requires documentation of your ability to support yourself financially during the length of your stay. You must be prepared to provide documentation, for example from your bank, verifying that you have the equivalent of DKK 5,941 per month during your intended stay.
Biometric Features	All non-EU/EEA citizens over the age of 18 applying for residence permits under the terms of the Aliens Act must have their biometric features recorded. Further information on residence cards with biometric features: www.nyidanmark.dk/en-us/coming_to_dk/Residence_cards_biometric
Work permit	Non-EU/EEA students are allowed to work in Denmark 20 hours a week from September to May and 37 hours a week from June to August. Permit for this extent of work is granted automatically with the residence permit.

Residence Permit for studies in Denmark - EU/EEA and Swiss students

Registration certificate	If you are an EU/EEA or a Swiss citizen, you will need a residence permit (registration certificate), if you are staying in Denmark for more than three months. Students will receive information on the dates and procedures prior to semester start from the University of Copenhagen.
---------------------------------	---

Work permit	Students from EU member states will not need a work permit for regular student jobs. Further information about working in Denmark, please visit www.studyindenmark.dk/live-in-denmark/working-in-denmark/hours-and-legalities
