## Global Technology Experience, India

**Understand how technology sourcing is conducted across national and cultural boundaries. Visit leading technology service providers and understand the Indian-US business environment.**

- **Where will we travel?** New Delhi, Mumbai, Pune, Jaipur, Agra
- **What will we do?** Visit small, mid-sized, and large IT service providers, possible visit to an Indian university, experience Indian culture
- **With whom will I travel?** MBA, MS, and undergraduate (juniors and seniors only) students. Min. 10, Max 15. Approval subject to application. May be interviewed, if necessary
- **How do credits count?**
  - Undergraduate IT major, INBU, or general business elective
  - MBA - IT core elective requirement, elective for IT specialization, or general elective requirement
  - Elective for non-business students
- **What will be the cost?** \$2000 - \$2300 **excluding** airfare to India, local transportation, 3-star double lodging, meals, and cultural sites. **Tuition NOT included.**
- **Note:** *Incomplete* grade for Fall 2015; updated in Spring 2016
